ie lower prices . . . & YOU WIN BUY/PAY NOW . . . otherwise maybe you get out by the "system" CAUGHT LATER !

for ALL you "bartering bastards" out there . . . **please keep in mind** . . .

CC "organisations" charge both You and Me 2 to 4% in fees unless you are with AMEX . . . THEN its 6%
we categorically refuse to do AMEX

ALSO "greedy" banks have a Buy/Sell rate with up to a 4-5% "handling fee" imposed in their favor on both sides of the transaction USD/AUD
but other currencies are far worse

ALL International Banks impose a Bank Fee on Transfer of USD20
BANKS DO sit on the Money both ways . . . at their discretion . . . up to 7 days
this is despite the huge advance in Computers speed etc

ITS all to do with globalisation of the World economy and so-called "Free Trade" a ka 1971 AND until "they" wake up"
