 Androids

Extra Features

- FAST
- Book Cases
- Table of Contents, Slide Show, ZOOM
- Text Search slower Results NOT Highlighted
- Catalogs Limited to ~450 PDF pages (100Mb)

Old(er)Web pages slowly being
 replaced

Original Flip format

- Flash - based
- NOT compatible with Apple phon etc

(Elsewhere on our website)

PDFs

OK for small Catalogs > ~20-50p MAX
 too slow - loads whole catalog before VIEW (NOT
 page-served)
 - now a/ relatively” primitiv”e format

ALL files are Hosted “in the Clouds”
we bypass “Turnbulls” “crap” BBN system
your download speed STILL limited by YOUR bandwidth and ISP connection
Downloads as PDF are possible BUT total file sizes are huge
each PDF page ~500k
