

FLIP-page

- NO Plug-in required
- NetWork administrators can NOT bar it . . . from you !
- Uetsess **Flash** - now part of all browsers

Visually GREAT !

Page-served & Fast . . . after 20secs Flash loading time

Features :

- Text Seach & Highlight across All pages
- No Limit on file size No of Pages 800 "PDF pages"
NO problem !
- Default . . . 2 - page ***FLIP-page*** format
with ZOOM to full page display
- Table of Contents
- YOUR Bookmarks

The PERFECT web design / browsing tool

so good . . . in fact . . .

- *we have consolidated many Supply brochures etc
into a multi-multi-page single Flip "bundle"*

in hindsight . . . PDF is realtively useless

. . . slow not page served

still useful for small files and <5pages

HTM is still required . . . for SEARCH Engine "spidering etc "
