

U.S. Technical Sales Representatives

How can we help you today?

E-mail:
WesternSales@restek.com

E-mail:
EasternSales@restek.com

call **800-356-1688**

Restek's sales reps can assist customers in choosing chromatography supplies, optimizing chromatography performance, and trouble-shooting lab problems. By quickly responding to your needs and working with you to develop solutions, we work hard to be your preferred chromatography supplier. Contact the appropriate sales representative listed above, or call our Customer Service Team for information on who can best help you.

Christine Vargo
Sales Director
