Injectors (See: *Cheminert valves*
Diaphragm valves
Valco valves)

INSTRUMENTATION 220-227

Helium purifiers 226-227, 247
 Nitrogen purifiers 226-227, 247
 Pulsed discharge detectors
 (PDD)..... 220-225
 Thermal conductivity detectors
 (TCD) 227

Instrumentation temperature
 controller (ITC)..... 203

Integrated motor/valves
 for LC **NEW** 182-183

Internal reducers (IZR) 34

Internal reducers
 for 360 µm tubing **NEW** 34

L

Length conversions 262

Liquid handling pump..... 84

Loop fill port assembly for
 Cheminert C2, C4 valves 41

Loop installation wrench
 (custom socket wrench) 210

Loops for each valve type are
 found on the price list page
 with their corresponding valves

Luer adapters
